EPA Comments on Draft 1. Benthos Monitoring Study Plan submitted 12.2017....docx

Hi David and Renea,

We wanted to run a few items past you. An email from LOOP's outside counsel is attached and our **draft** response addressing their email's attachment 3 is also included. Please let us know what you think and add language to our response as appropriate. Additionally, as an FYI, we are reviewing the NEPA review status of the federal outfalls and Tina Alvarado is working with us to clarify things. More to come on the NEPA topic.

Thanks so much.

Taim.
